Community: Ladies vs. Lust Community

1. ACCEPTANCE OF THESE TERMS

By purchasing, accessing, joining, participating in, or otherwise using the Ladies vs. Lust Community ("Community"), you acknowledge that you have read, understood, and agree to be legally bound by these Terms & Conditions ("Terms"), the Community Guidelines, Privacy Policy, Disclaimer, and any other policies expressly incorporated into these Terms.

If you do not agree to these Terms, you may not purchase, access, or participate in the Community.

By checking the required acceptance box at checkout and completing your purchase, you provide your affirmative consent to these Terms and acknowledge that your acceptance is a condition of purchasing and accessing the Community.

2. WHAT LADIES VS. LUST IS

Ladies vs. Lust is a paid educational and community-based membership designed to provide discussion, educational resources, frameworks, perspectives, tools, and peer connection concerning professional relationships, boundaries, power dynamics, attraction, gatekeeping, opportunity, confidence, authenticity, career development, entrepreneurship, and related topics.

The Community is intended to provide a supportive environment in which members can discuss difficult professional experiences, learn strategies for navigating challenging situations, develop greater discernment, and connect with other members.

The Community is educational and community-based. It is not a promise of employment, business opportunities, financial gain, professional advancement, relationships, introductions, contracts, clients, speaking engagements, promotions, or any other specific result.

3. EDUCATIONAL PURPOSE; NO GUARANTEE OF RESULTS

The information, frameworks, resources, discussions, exercises, examples, stories, opinions, and strategies provided through the Community are offered for educational and informational purposes only.

Rocky Speaks LLC and its representatives make no guarantee, warranty, representation, or promise regarding any particular outcome or result from participating in the Community or applying any concept, strategy, framework, resource, recommendation, or information presented within it.

Your results depend on numerous factors outside of our control, including your circumstances, decisions, actions, industry, market conditions, professional relationships, financial position, skills, timing, opportunities, and other variables.

Participation in the Community does not guarantee that you will make money, increase revenue, obtain employment, receive a promotion, obtain clients, secure contracts, develop business relationships, avoid professional conflict, or achieve any particular personal or professional outcome.

4. NOT LEGAL, MEDICAL, MENTAL HEALTH, FINANCIAL, OR PROFESSIONAL ADVICE

The Community does not provide legal advice, medical advice, mental-health treatment, psychotherapy, counseling, financial advice, investment advice, tax advice, or any other professional advice requiring a licensed professional.

Nothing presented within the Community should be interpreted as creating an attorney-client, therapist-client, physician-patient, financial-advisor-client, or other professional relationship.

If you have a legal, financial, medical, mental-health, employment, safety, or other professional matter requiring individualized advice, you are responsible for consulting an appropriately licensed or qualified professional.

5. NOT A THERAPY OR CRISIS-SUPPORT COMMUNITY

Ladies vs. Lust is not therapy, psychotherapy, counseling, mental-health treatment, crisis intervention, or a substitute for professional mental-health care.

Members may discuss emotionally difficult or personally challenging experiences, but Rocky Speaks LLC does not diagnose, treat, or provide mental-health services through the Community.

If participation in the Community causes or contributes to emotional distress, psychological distress, trauma-related symptoms, or other mental-health concerns, you are responsible for seeking appropriate professional support.

The Community is not an emergency service and should not be used for crisis intervention, emergency assistance, or situations involving an immediate threat to yourself or another person.

6. PERSONAL RESPONSIBILITY

You understand and agree that you are solely responsible for your own decisions, actions, communications, professional relationships, business activities, employment decisions, financial decisions, legal decisions, and other conduct.

Information shared within the Community is not a substitute for your own judgment or professional advice.

You are responsible for evaluating whether any strategy, recommendation, communication technique, boundary, business decision, or other action is appropriate for your individual circumstances.

You remain responsible for the consequences of decisions you make based on information obtained through the Community.

7. NO GUARANTEE OF SAFETY, OPPORTUNITY, OR PROFESSIONAL OUTCOME

While the Community is designed to provide education, community, and support, Rocky Speaks LLC cannot guarantee that applying information from the Community will prevent harassment, discrimination, manipulation, professional retaliation, loss of opportunities, financial loss, interpersonal conflict, employment consequences, business disputes, or other adverse circumstances.

Professional relationships and workplace/business environments involve circumstances outside of our control.

8. COMMUNITY PARTICIPATION IS NOT CONFIDENTIAL PROFESSIONAL COUNSELING

Members should use discretion when sharing information within the Community.

Although members are expected to respect the confidentiality of other members and are prohibited from reproducing, distributing, exposing, or weaponizing Community information, Rocky Speaks LLC cannot guarantee that every member will comply with these expectations.

You should therefore avoid sharing information that you are legally prohibited from disclosing, confidential employer information, trade secrets, protected client information, passwords, financial account information, personally identifiable information, or other information that you do not have the legal right to disclose.

9. MEMBER PRIVACY AND NON-EXPOSURE

Members may not use the Community to expose, embarrass, identify, threaten, shame, harass, retaliate against, or otherwise harm another member.

Members may not screenshot, record, photograph, copy, download, reproduce, distribute, publish, or otherwise capture Community conversations, messages, identifying information, member stories, voice conversations, video calls, or other member-generated content for the purpose of exposing, "outing," identifying, humiliating, threatening, retaliating against, or otherwise harming another member.

This prohibition includes sharing Community content outside the Community through social media, group chats, email, websites, publications, or other channels.

A member's participation in Ladies vs. Lust does not constitute permission for another member to publicly identify them as a member of the Community.

Members may not use Community access to harvest contact information, solicit members without consent, recruit members into unrelated commercial opportunities, spam members, aggressively pitch products or services, or use another member's vulnerability or personal story for personal, professional, financial, or promotional gain.

Ladies vs. Lust is not a dating, matchmaking, or sexual networking community. Members may not use Community access to pursue romantic or sexual relationships with other members, pressure members for personal access, or use Community participation as a means of initiating unwanted romantic or sexual contact.

10. COMMUNITY CONFIDENTIALITY

Members are expected to treat personal stories, experiences, identifying information, professional circumstances, and other sensitive information shared by members as confidential.

The guiding principle is: Share the lesson. Protect the person.

Members may discuss concepts learned within the Community outside the Community, but may not disclose another member's identity or reproduce another member's private story without permission.

11. NO BULLYING, HARASSMENT, OR DISCRIMINATION

Ladies vs. Lust is intended to be an inclusive and LGBTQ+-affirming community.

Bullying, harassment, intimidation, threats, discrimination, hate speech, racial or ethnic slurs, religious hatred, misogyny, homophobia, transphobia, ableism, age-based harassment, xenophobia, body shaming, sexual harassment, targeted hostility, identity-based attacks, or other abusive conduct are prohibited.

Members are expected to respect differences in race, ethnicity, nationality, religion, spiritual beliefs, gender identity, gender expression, sexual orientation, disability, age, socioeconomic

background, culture, appearance, relationship status, and other aspects of identity and lived experience.

Disagreement is permitted. Dehumanization is not.

12. COMMUNITY MODERATION AND REMOVAL

Rocky Speaks LLC reserves the right, in its reasonable discretion, to remove, restrict, suspend, or terminate a member's access to the Community for violations of these Terms, Community Guidelines, privacy expectations, intellectual-property protections, or conduct that reasonably threatens the safety, integrity, or well-being of the Community or its members.

Serious violations may result in immediate and permanent removal without the opportunity to return.

Examples may include harassment, hate speech, threats, doxxing, outing another member, discrimination, sexual harassment, stalking, targeted abuse, malicious exposure of Community content, fraud, impersonation, intellectual-property theft, or repeated violations of Community standards.

13. NO REFUNDS UPON REMOVAL FOR MISCONDUCT

To the extent permitted by applicable law, a member removed from the Community for violating these Terms or Community Guidelines is not entitled to a refund of membership fees already paid.

Termination for misconduct does not create an entitlement to future access or reinstatement.

14. MEMBERSHIP AND RECURRING BILLING

Membership is offered on a recurring subscription basis at the price and billing frequency displayed at checkout.

By completing the purchase, you authorize the applicable payment processor to charge your selected payment method according to the membership terms presented to you at checkout.

The applicable membership price, billing frequency, promotional pricing, and renewal terms will be disclosed before purchase.

Promotional or founding few member pricing may be subject to specific eligibility and pricing terms disclosed at the time of enrollment.

15. CANCELLATION

Members may cancel their recurring membership using the cancellation method provided by Rocky Speaks LLC.

Upon cancellation, future recurring charges will be stopped in accordance with the applicable billing terms and applicable law, and Community access may terminate immediately upon cancellation.

Unless otherwise expressly stated in the applicable offer or required by law, cancellation does not automatically entitle a member to a refund of amounts already paid for the current billing period.

Nothing in these Terms is intended to waive any cancellation or refund right that cannot legally be waived.

This section should be finalized by your attorney based on the exact subscription structure you use.

16. PAYMENT FAILURES

If a payment fails, is declined, reversed, disputed, or otherwise cannot be successfully processed, Community access may be suspended or terminated until the account is brought current.

Rocky Speaks LLC may use reasonable automated billing-retry procedures through its payment processor.

17. INTELLECTUAL PROPERTY

All original materials created or provided by Rocky Speaks LLC, including but not limited to frameworks, methodologies, written materials, workbooks, exercises, videos, recordings, graphics, presentations, resources, templates, prompts, educational materials, names, branding, concepts, and proprietary systems, remain the intellectual property of Rocky Speaks LLC unless otherwise expressly stated.

Your membership grants you a limited, revocable, non-exclusive, non-transferable, non-sublicensable license to access and use Community materials for your own personal educational purposes.

You may not reproduce, republish, distribute, sell, license, sublicense, teach, perform, upload, modify, package, commercialize, or create derivative products from Community materials without prior written permission.

18. NO RESALE OR COMMERCIAL USE

Members may not use Community materials or information to create competing products, courses, memberships, workshops, consulting services, coaching programs, books, presentations, training programs, paid resources, or other commercial offerings.

Members may use general knowledge and skills they independently develop through participation in the Community in their personal or professional lives, but may not reproduce Rocky Speaks LLC's proprietary frameworks, materials, language, resources, or intellectual property as their own.

19. RECORDINGS AND COMMUNITY CONTENT

Rocky Speaks LLC may occasionally conduct live calls, workshops, educational sessions, or other Community programming.

Any recording practices will be disclosed appropriately before recording occurs.

Members should not assume that private member discussions will be recorded or publicly distributed unless expressly stated.

Members retain ownership of original content they independently create and contribute, subject to the permissions necessary for Rocky Speaks LLC to operate and administer the Community.

20. MEMBER-GENERATED CONTENT

Members are responsible for the content they post, submit, upload, or communicate within the Community.

Members represent that they have the right to share such content and that doing so does not violate another person's intellectual-property rights, confidentiality obligations, privacy rights, contractual obligations, or applicable law.

Members grant Rocky Speaks LLC a limited license to host, display, reproduce, and process member-generated content solely as reasonably necessary to operate, administer, moderate, and maintain the Community, subject to the Privacy Policy.

21. THIRD-PARTY PLATFORMS

The Community may rely upon third-party platforms and service providers, including Discord, Stripe, HighLevel/Lead Attraction System, email providers, hosting providers, and other technology services.

Rocky Speaks LLC does not control the availability, security, policies, functionality, pricing, outages, modifications, or discontinuation of third-party services.

Temporary or permanent disruption of a third-party platform does not automatically constitute a breach of these Terms.

Rocky Speaks LLC will make commercially reasonable efforts to address significant disruptions and, where practical, provide alternative means of communication or access.

22. DISCLAIMER OF WARRANTIES

To the fullest extent permitted by applicable law, the Community and its materials are provided on an "as is" and "as available" basis without warranties of any kind, express or implied.

Rocky Speaks LLC does not warrant that the Community will be uninterrupted, error-free, completely secure, continuously available, or suitable for every member's particular purpose.

23. LIMITATION OF LIABILITY

To the fullest extent permitted by applicable law, Rocky Speaks LLC and its owners, officers, employees, contractors, representatives, affiliates, and service providers shall not be liable for indirect, incidental, consequential, special, exemplary, punitive, or other similar damages arising from or related to participation in or inability to participate in the Community.

To the fullest extent permitted by applicable law, the aggregate liability of Rocky Speaks LLC arising from or relating to the Community shall be limited to the amount the member paid to Rocky Speaks LLC for the Community during the [three/six/twelve] months preceding the event giving rise to the claim.

This limitation does not apply to liability that cannot legally be limited or excluded under applicable law.

24. INDEMNIFICATION

To the fullest extent permitted by applicable law, you agree to defend, indemnify, and hold harmless Rocky Speaks LLC and its owners, officers, employees, contractors, representatives, affiliates, and service providers from claims, liabilities, damages, losses, costs, and reasonable attorneys' fees arising out of or related to your unlawful conduct, violation of these Terms, violation of another person's rights, misuse of Community materials, or misuse of another member's information.

25. DISPUTE RESOLUTION

Before initiating formal legal proceedings, the parties agree to make a good-faith effort to resolve disputes informally.

26. NO WAIVER OF NON-WAIVABLE RIGHTS

Nothing in these Terms is intended to waive, eliminate, restrict, or limit any right, remedy, protection, or liability that cannot legally be waived, excluded, or limited under applicable law.

27. SEVERABILITY

If any provision of these Terms is determined to be invalid, unlawful, or unenforceable, the remaining provisions shall remain in effect to the fullest extent permitted by law.

28. MODIFICATION OF TERMS

Rocky Speaks LLC may update these Terms from time to time as the Community, business, technology, or applicable legal requirements change.

Material changes will be communicated through reasonable means where required by applicable law.

Continued use of the Community after an effective modification constitutes acceptance of the updated Terms to the extent permitted by law.

29. ENTIRE AGREEMENT

These Terms, together with the Community Guidelines, Privacy Policy, applicable purchase terms, and any documents expressly incorporated into these Terms, constitute the agreement governing your participation in the Community.

30. ELECTRONIC ACCEPTANCE

You agree that selecting an electronic checkbox, button, or other electronic acceptance mechanism constitutes your electronic signature and affirmative agreement to these Terms.

You consent to receiving Community-related notices electronically.

31. ELIGIBILITY

You represent that you are legally capable of entering into this agreement and are at least [18] years old, unless Rocky Speaks LLC expressly establishes another eligibility requirement.
